

*Helping people live sustainably*

***Award-winning\* environmental charity seeks board members.***

**Board of Directors, Volunteer Posting**

February 2021

Reep is committed to creating a diverse and inclusive culture.  
We welcome applications from qualified persons of all genders, gender expressions, sexual orientations, ethnicities, religions, abilities, ages and backgrounds.

**You care about our community and helping people live sustainably. You are concerned about climate change, the availability of clean water, air quality, and the integrity of our ecosystems.**

You would like to support an innovative locally based organization that recognizes the urgency of taking climate action, embodied in the following goal:

*By 2030, people impacted by Reep Green Solutions have taken 10,000 meaningful actions to collectively shift our community to a resilient, low carbon future.*

Reep Green Solutions is looking for board members who share our vision and passion, and who recognize the opportunities and importance of this unique challenge.

**The organization:** Reep Green Solutions is an environmental charity that helps people in Waterloo Region live sustainably. Our current focus areas are home energy efficiency, water conservation, healthy yards, and waste reduction. In short, we work together with the community on practical solutions for addressing and adapting to climate change. See our [Impact Report](#) for more information.

**Our culture** is “trusting, productive, and happy at work”, as one recent staffer put it. There is great joy in working on issues we feel passionately about! One of our departing board members says “It has been wonderful working with such a competent and diverse board with an open communication and focused output-based decision-making.”

**Two Board Positions currently open:** We welcome applications from across the Region, with a particular interest in the following areas:

- Financial Management Experience
- Legal Knowledge
- Renovation Contracting
- Business Acumen

Interested individuals please contact Mary Jane Patterson, Executive Director,  
[mjpatterson@reepgreen.ca](mailto:mjpatterson@reepgreen.ca).

Reep Green Solutions has been making a difference since 1999:

- **20,000 households audited**
- **27,000 tonnes of CO<sub>2</sub> reduced**
- **\$50,000,000 in economic impact**
- **100,000 litres of stormwater capacity built**
